SUBJECT: Call for Championship Bids.

The NCAA Division III Men's Golf Committee is accepting bids to host the NCAA Division III Men's Golf Championships in 2007 and 2008. Interested institutions or local organizing committees may submit bids for the championships. The deadline for submitting bids is November 1, 2005.

The 2007 championships will be held May 15-18. The 2008 championships will be held May 13-16.

Each bid needs to include a proposed budget, facility evaluation form, key contacts form and a facility diagram. The proposed budget, facility evaluation and key contact forms can be found on the NCAA Web site at: <http://www1.ncaa.org/membership/champadmin/golf/index.html>.

The new facility specifications for the championships can also be found at the above Web site. Please note that each potential host must have a 36-hole facility or two 18-hole courses in close proximity to be considered. Both courses will be used for the first two days of competition. Only one course will be needed for the final two days.
