Supplement No. 23 -- July 2005 Management Council -- Intent-Based Revisions

Title: RECRUITING -- CONTACTS AND EVALUATIONS -- TELEPHONE CALLS TO PROSPECTS

Supplement Proposal Number: MOD-1

Convention Year: 2006

Date Submitted: April 22, 2005

Status: Ready for Consideration by Management Council

Topical Area: Recruiting

Intent: To clarify that there are no restrictions on the timing of the phone calls made to prospects by institutional staff members, student-athletes or representatives of athletics interests.

Bylaws: Amend 13.1.3, page 69, as follows:

"13.1.3 Telephone Calls to Prospects. An institution may permit a student-athlete, **a staff member, or a representative of athletics interests** to telephone a prospect at the institution's expense **at any time**, provided the call is only for the purpose of recruitment and is with full knowledge of the athletics department (see Bylaw 13.02.3.1). Violations of this bylaw shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility."

Additional Information: The current recruiting legislation does not address the timing of when telephone calls for the purpose of recruitment can be made. The intent of this proposal is to provide clarification regarding the timing of telephone calls to a prospective student-athlete by current student-athletes, institutional personnel and representative of athletics interests.
