Supplement No. 24 -- July 2005 Management Council -- Incorporations of Interpretations

Title: RECRUITING -- TRYOUTS -- LOCAL SPORTS CLUB

Supplement Proposal Number: INC-1

Convention Year: 2006

Date Submitted: April 22, 2005

Category: Incorporation

Status: Ready for Consideration by Management Council

Topical Area: Recruiting

Bylaws: Amend 13.12.2.3, page 79, as follows:

"13.12.2.3 Local Sports Clubs. An institution's coach may be involved **in any capacity (e.g., as a participant, administrator or in instructional or coaching activities)** in the same sport for a local sports club or organization located in the institution's home community, provided all prospects participating in said activities are legal residents of the area (within a 50-mile radius of the institution). Further, in club teams involving multiple teams or multiple sports, the 50-mile radius is applicable only to the team with which the institution's coach is involved; however, it is not permissible for the coach to assign a prospect who lives outside the 50-mile area to another coach of the club. A coach also may be involved in activities with individuals who are not of prospect age (i.e., before the ninth grade), regardless of where such individuals reside."

Additional Information: The Interpretations and Legislation Committee determined this issue is of national significance and should be an official interpretation and incorporated into the Division III Manual.

Title: ELIGIBILITY -- TEN-SEMESTER/15-QUARTER RULE -- USE OF SEMESTER OR QUARTER

Supplement Proposal Number: INC-2

Convention Year: 2006

Date Submitted: April 22, 2005

Category: Incorporation

Status: Ready for Consideration by Management Council

Topical Area: Eligibility

Bylaws: Amend 14.2.2.1, page 94, as follows:

"14.2.2.1 Use of Semester or Quarter. A student-athlete is considered to have used a semester or quarter under this rule when the student **attends any class while** *is* officially registered in a collegiate institution (domestic or foreign) in a regular term of an academic year for a minimum full-time program of studies, as determined by the institution, *and attends the first day of classes for that term even if the student-athlete drops to part-time status at any time during the term, including his or her first day of attendance* (see Bylaw 14.2.3)."

Additional Information: The Interpretations and Legislation Committee noted that a student uses a semester or quarter of eligibility when a student attends any day of class during a term as a full-time student. The committee believes the incorporation of this interpretation into the Manual will assist the membership in the application of the certification of a student-athlete's use of a semester or quarter.
