**Supplement No. 17 - January 2007 Management Council Meeting--
Governance Structure Legislation for 2008 Convention**

Title: COMMITTEES -- ASSOCIATION-WIDE COMMITTEES -- GENERAL COMMITTEES -
- COMPETITIVE SAFEGUARDS AND MEDICAL ASPECTS OF SPORTS -- TERM OF
OFFICE, CHAIR

Supplement Proposal Number: PC-1

Date Submitted: October 26, 2006

Convention Year: 2008

Status: Ready for Consideration by Management Council

Category: Presidents Council

Topical Area: Committees

Intent: To permit the chair of the Committee on Competitive Safeguards and Medical Aspects of Sports to exceed the four-year term limit, provided the individual becomes the committee chair with only one year or less remaining on his or her four-year term.

Bylaws: Amend 21.2.2 by adding new 21.2.2.3, as follows:

[Common provision, all divisions, divided vote]

"21.2.2 Competitive Safeguards and Medical Aspects of Sports, Committee on.

[21.2.2.1 through 21.2.2.2 unchanged.]

"21.2.2.3 Term of Office, Chair. The chair may remain on the committee for up to one additional year if the individual becomes the committee chair with only one year or less remaining on his or her four-year term."

Rationale: Service on the Committee on Competitive Safeguards and Medical Aspects of Sports is a learning experience and a chair is generally not identified until the completion of two years of service on the committee. However, in some cases an individual is selected as chair with only one year remaining on the committee. The complexities and impact of the issues considered by this committee and the need for consistent, learned leadership require a chair who has had the opportunity to understand the complexities of the position and will enable the chair to provide a continuity of service. This extension would be used only when the chair is appointed with one year or less remaining on his or her term.

Source: NCAA Division III Presidents Council [Management Council (Committee on Competitive Safeguards and Medical Aspects of Sports)].

Effective Date: August 1, 2008

Financial Impact: None.
